Orh's Brief Bio:

Mama Njulefeh Joana Morfaw was born about 1920 to Chief Fualefock Ngosong and mama Nkengnjoh of Lefock, Lewoh, Alou sub division. In 1939, she got married to Mbe Morfaw Forminka, Minka, Njentsse quarter, Lebang, Fontem sub Division. Through this union, they produced: 10 children, 35 grand, 47 great grand and 4 great great grand children. Fondly called "orh" (mother) and "orh-Lepang" in Nwanchen, mama was an embodiment of care, endurance, remission, piety and above all fun. She would humorously paint a picture of people, animals, the environment and situations with sharp, apt, comic terms and expressions funny enough to make one laugh everlastingly... "Who will make us laugh again?" minka women cry!

In the words of some "Orh" Nju was a pure and living example of a mother richly endowed with incredible qualities. She was simple, down to earth, respectful, full of humility, sympathetic and caring. With such rare qualities no one can doubt that she is in Heaven!! Her transition has been further described as Value For A Lifetime Loss, adding that she was one bundle of joy, wonder, love and enthusiasm... meek, humble, full of love, pity and a community spirit... Her words, Actions and wishes were all goodness, wisdom and WITTY... She was one source of inspiration par excellence... She deserves true Rest in the Lord's mansion...where she can provide a veil of "heavenly" protection...

She was baptized in 2002 and it is well known, a few moments before her passing to eternity, her white rosary on her neck, she muttered "Holy Maria" as she bid "bye bye" to some of her children and a crowd of Nwanchen women present. May her soul rest in perfect peace.
